HOMESPUN CRAFT

Nostalgia for the past renews interest in vintage textiles with a homespun spirit. Look for soft, lofty yarn woollen fibres. Explore soft bou feather and chenille yarns. Develop pretty tuck stitch, openwork and lace stitches, dense 3D stitches including bows, bobbles, bicolour cables and embroideries. Use simplified plaid and gingham checks, floral intarsia and scenic jacquard.

REWORKED

Combine different textures and fabrics in one design, e.g. pieces of denim with lace or knitwear with satin.
A characteristic feature is visible stitching and deconstruction – raw edges, asymmetrical cuts, unobvious combinations of materials emphasize the artistic character of the clothes.
